

Thank you so much for dedicating your time and energy to volunteering with Habitat for Humanity Saint Louis (HFHSL)! We hope you will enjoy this opportunity to work side by side with other volunteers and our homebuyers as we make a difference in the metropolitan community.

ALL volunteers play a vital role in the project's completion. **It is extremely important that all scheduled volunteers attend their work day. A shortage of volunteers will affect productivity and ultimately will delay the homeowner's move-in date.** Please also note that only volunteers who have registered will be permitted to stay and work. Additional volunteers will be sent home.

If you need to **cancel** your volunteer day, please let us know as soon as possible and *at least* one week in advance. If you registered online you may also use the online system to cancel.

Included in this packet are:

- **2009 Waiver of Liability** (2 pages, must sign and turn in BOTH pages. *All volunteers under the age of 18 years old must have their waiver signed by a parent or legal guardian.*)
- **Volunteer Brochure** includes general construction information for our build site
- **Directions** and map to the build site. Bring the directions with you as they also tell you how to get to the site support trailer for sign-in.
- **How to get community service hours?** This outlines the steps to receive a validation letter from Habitat.

Important Reminders:

- Do **NOT** fax or mail the waiver forms to the Habitat Office. Bring them with you to the construction site on your build day.
- No volunteers under the age of 16 years old are permitted on the build site for any reason.
- No volunteers under the age of 18 years old are permitted to use power tools or be on ladders.
- **All volunteers must arrive at the worksite on time. If you arrive more than 15 minutes after your scheduled start time you will not be permitted to stay and work as you will have missed the morning safety meeting.**

We know this will be a fun and rewarding experience for you, and we hope you enjoy your volunteer day! Please feel free to email or call with any questions.

In partnership,
